Leslie – whose husband passed away from a drug overdose – comes to the Pantry for food but also expresses thankfulness for the Resource Counselors. At one point she only wanted to join her husband because she felt she had nothing to live for. The ability to have someone to talk to on a consistent basis who can suggest further resources gives her great peace.

Donation Drop Off Times

Food and clothing donations may be dropped off at our facility at:
Monday & Tuesday 9:00 to 11:00 am
Wednesday & Thursday 4:00 to 6:00 pm

Julia - a 70-year old grandmother of three grandchildren came in during the holidays because of some urgent financial needs. She was deeply saddened at the thought of not being able to provide Christmas toys for her grandchildren. We were able to provide toys for all of them as well as food for the holidays. Julia felt blessed and expressed deep gratitude.
